Plans are now being made for the 2011 Comer Christmas Parade to be held at 2PM on Saturday, December 3, 2011. This year's theme is:

“Christmas Through the Years”

Guidelines set forth by the parade committee are:

1. Marching units (twirlers, bands, military units, etc) will be judged during the parade. All other entrants will be judged before the parade and should be set up in the staging area by 12:30.
2. All entrants should be in place by 1PM. The staging area will be the same as last year. Turn north on Main Street at the intersection of HWY 72 and HWY 22 then left on Laurel Ave at the dead end.
3. No literature may be passed out by entrants along the parade route or in the staging area prior to or following the parade.
4. Any entry not displaying a suitable seasonal humanitarian or festive theme, as determined by the parade committee, will not be allowed to participate in the parade.
5. Access to and parking at the staging area will be limited to vehicles in the parade. Others should make plans to park in the downtown area and walk to the staging area.
6. Candy must be given out only by adult walkers. Please do not throw candy from parade vehicles.
7. All equestrian participants must be prepared to provide a current negative Coggins certificate.
