

*Plastics, glass, aluminum, tin, all paper products will be accepted for recycling. We would like everyone to place the paper at the bottom of the bin and the rest on top. This helps the drivers, as well as keeping the products from blowing around. We also ask that everyone wash out their cans and bottles to keep ants and bugs to a minimum. All products must be in the bin, not bagged in the bin. We do NOT recycle Styrofoam. Also all boxes must be broken down. I hope this help. If you have any questions, please feel free to call City Hall.*
